- 2.5 If the contingency framework is not applied, but a 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group as required.

3. Teaching and learning

- 3.1 The school will ensure staff and pupils follow the school's **Online Safety Policy** when working and learning remotely.
- 3.2 The school will ensure that remote education is available for pupils immediately, i.e. the next school day after they are sent home to self-isolate or after the contingency framework is applied.
- 3.3 All pupils will have access to high-quality education when learning remotely.

 - Enabling pupils to receive feedback on how to progress.
- 3.5 In line with DfE's **'Restricting attendance during the national lockdown: schools'**, the school will:

3.6 The school will use a range of teaching methods to cater for all different learning styles, including:

- **The school uses the White Rose lessons for Maths and some lessons from the Oak National Academy. These are pre-recorded for ease of access and include a variety of different learning methods, e.g. using comprehension, quizzes and online materials.**

3.7 Teachers will ensure that a portion of their lessons are designed to promote interactivity amongst pupils and between pupils and staff, e.g. regular live sessions to lessen feelings of isolation and to promote pupil progress and motivation.

3.8 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

3.9 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day in an appropriate range of subjects.
- Set work that is of equivalent length to the core teaching pupils would receive in school and, as a minimum, four hours a day.

 - Avoid an over-reliance on long-term projects or internet research activities.
 - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- 3.10 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.11 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the **head teacher** will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.12 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.13 The school recognises that certain subjects are more difficult to teach remotely, e.g. music, sciences and physical education. Teachers will provide effective substitutes for in-person teaching such as video demonstrations.
- 3.14 Pupils will be encouraged to take regular physical exercise to maintain fitness, and time will be allocated within the school week for pupils to focus on this.

4. Access to technology

- 4.1 The school will remain cognisant of families who do not have access to the resources required for remote education, and will ensure that an up-to-date record of which pupils do not have appropriate devices or internet access is maintained.
- 4.2 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 4.3 Under the scheme, the school can order laptops or tablets to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
- Pupils in Years 3 to 11
 - Clinically extremely vulnerable pupils across all year groups who are shielding or self-isolating in line with government advice
