

## Church Walk CE Primary School

# MEET THE GOVERNING BODY

The Governing Body is a team who would like to help make Church Walk CE Primary School be the best it can be. Some of the governors have been appointed by the Diocese, some are parents and others are appointed by the governing board. A Foundation Governor is appointed by the Diocese and one of their main roles is to help maintain the Christian character of the school.

In our school the governors are the employers and therefore they are accountable for the progress and decisions the school makes. The Governing body help to make the school run smoothly by aiding in the appointment of staff, advising on maintenance of the school building and ensuring it is safe, making sure the school and the finances are managed effectively, monitoring and evaluating the curriculum and keeping up to date with policies. All of which contribute to making Church Walk a fun and safe learning environment for everyone.

Terms of office last for four years. Governors have to register their business interests and none have been disclosed. This is a standing item at all committee meetings and full governing body meetings.

Here are our Governors....
