

Review of Pupil Premium Expenditure for 2019 - 2020

Previous Academic Year				2019 /20	
i.		ii. Quality of teaching for all			
Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for		Lessons learned (and whether you will continue)	Cost
Improvement of oral language skills, concentration and focus skills, immaturity, attitudes to learning.	Identification of strengths and areas for development. Pupils identified as needing	Small group work. Social speaking groups with Teaching Assistants	Pupil Premium children were able to access social speaking groups and develop their language skills.	This will continue with a new group of children next year.	£2726.88
The school's work needs to be focussed on disadvantaged children of all prior attainments : e.g. children who are SEND and in receipt of Pupil Premium, but also children who are more able.	Staff meetings and work scrutinies for PP and SEND children.	Work scrutinies showed that children who were PP and SEND were making progress compared to their starting points. More able PP children were making progress in line or better than peers,	The majority of Pupil Premium children were making good progress from their individual starting points.	Continue to look at PP and SEND work in scrutinies termly.	
Support individual learning of the curriculum	The purchase of additional laptops	There are more laptops available for children to use during teaching sessions.	Pupil Premium children were able to access laptops to support them with the curriculum	Try to purchase more laptops whenever funding allows	£698.00
To improve skills and confidence when designing a lego project.	Subsidised resources needed for the Lego League	All of the children who were involved in the project gained in skills and confidence.	This approach has been cascaded through other age groups and the children have acted as mentors	We will continue to use the lego projects as an approach to enable other groups of children to work	Grant received
To teach the children about STEM activities.	Invite STEM ambassadors to work with classes and develop Science and technology investigations	The whole class were able to work with the staff and learn from the experience.	The feedback from the children and staff has been very positive.	We will invite other visitors into school to support the curriculum and children's learning.	
Enhance reading throughout school	Pay for library books Take part in Spellbinding reading Challenges.	Children are able to borrow books from the school library to read at home. End of year data attached	Pupil premium children were able to discuss their understanding of the books that they read and recommend them to other children.	We will continue to add stock to the school library.	£140.86

Review of Pupil Premium Expenditure for 2019 - 2020

Improve reading for children with specific learning difficulties.	Continue to use IDL Computer programme	Individuals have regular access to IDL programmes in the classrooms and it assesses their progress.
