

OVERVIEW

Model risk assessments (School Operations and School Premises) and supporting guidance on operating procedures have been developed for maintained schools and settings in consultation with our Trade Union colleagues and relevant service areas. Each maintained setting should undertake their own risk assessment following this format – Cumbria County Council, as the employer in the above settings will support and guide Governing Bodies and School Leaders to manage a planned and safe gradual return to school but recognise that local decisions to open or not **MUST** follow a risk-based approach appropriate to the resources and capacity of each individual setting. Other types of schools are welcome to use these models to help their own planning and risk assessment approach but must ensure that they prioritise their own employer’s health and safety management procedures.

This document is a template to be used to help Governing Bodies and Headteachers develop and tailor a site-specific risk assessment in relation to COVID-19. Below is a list of potential of hazards within our premises and the recommended control measures which apply to the majority of settings to aim to help you manage risks to the lowest possible level. Controls shown follow current available guidance and best practice.

Headteachers and Governing Bodies are responsible for monitoring the advice and guidance available, ensuring risk assessments and safe working practices are updated where applicable and cascaded through to employees. They must ensure that compliance is monitored, and any emerging issues addressed appropriately.

You should refer to the CCC guidance provided to accompany this model as well as referenced national guidance. **PLEASE NOTE** that your risk assessments should outline **YOUR** agreed control measures following your local planning processes – any additional control measures you identify as being required should be added to the additional controls column, along with who is responsible and a timescale.

All employees working within the premises should receive site specific information on the controls implemented within their workplaces.

Help and support with the development of your risk assessment is available through the County Council’s Corporate Health and Safety Team at healthandsafety@cumbria.gov.uk.

Please note that the Local Authority is liaising with contractors working on its behalf to ensure that they are undertaking effective liaison with occupiers **BEFORE** attending site – contractors are asked to provide key information in relation to how they are managing infection control.

This risk assessment refers to current national guidance, which is listed at the end of this document, and within accompanying guidance.

Following a request from the Education Planning Group, we have reviewed and updated the Model COVID-19 risk assessment to reflect recent changes to the Government guidance regarding Lockdown and Clinically Extremely Vulnerable Staff.

23/02/2021 This risk assessment has been updated following the latest Government guidance for schools reopening on March 8th. This does not replace your existing risk assessment but can be used to review/amend your existing controls

PLEASE NOTE: new guidance suggests that wearing face visors on their own is not sufficient protection and should only be worn with a face mask.

			school with medical conditions		
Hazards relating to performance activities such as music, dance, and drama	<ul style="list-style-type: none"> <input type="checkbox"/> Group numbers will be limited to ensure that social distancing measures can be observed. <input type="checkbox"/> Where practical, performances will take place outdoors. <input type="checkbox"/> Where performances are indoors, rooms will be well ventilated. 	10 Medium Risk L5 x S2	Risk assessments to be developed for individual performances. There will be no performances with audiences	No performances will take place until further guidance is issued.	
Hazards relating to school activities outside	<ul style="list-style-type: none"> <input type="checkbox"/> Pupil/staff cohorts will remain together at all times. <input type="checkbox"/> Outside spaces to be used for learning where possible. <input type="checkbox"/> Outdoor play equipment will be frequently cleaned, before and after use and between groups. <input type="checkbox"/> Where possible outdoor sports will be prioritised. <input type="checkbox"/> Any equipment used will be subject to thorough cleaning after each use. 	10 Medium Risk L5 x S2	Large indoor spaces can be used maximising natural ventilation flows and ensuring distancing between pupils and good hygiene practices	Outdoor play equipment must be cleaned with sterilising fluid, after use by each bubble. Weekly rota for each class in playground and equipment on the field.	
Hazards in relation to lack of cleaning/hygiene/waste management Inadequate cleaning and hygiene processes	<ul style="list-style-type: none"> <input type="checkbox"/> Cleaning will be carried out in accordance with the current guidance: COVID-19 Cleaning in non-healthcare settings <input type="checkbox"/> Suitable signage and visual instructions are displayed as required. <input type="checkbox"/> Local school-specific risk assessments will identify additional control measures to be followed to prevent cross contamination and infection, e.g. cleaning/kitchen Ras. <input type="checkbox"/> When delivering personal/intimate care, staff will wear the normal PPE required as detailed in the individual healthcare plans. <input type="checkbox"/> Supplies of hand sanitiser are available at entrance points and where there are no sinks. <input type="checkbox"/> Staff and pupils are instructed to wash their hands upon entry to the building, returning from breaks, when changing classrooms, before and after eating, and after they have been to the toilet. <input type="checkbox"/> Hand hygiene procedures are widely promoted and adhered to with provision/promotion of the use of 	10 Medium Risk L5 x S2	<p>Pupil allergies identified where applicable.</p> <p>Ongoing and regular reminders - promotion of developing national guidance in relation to COVID-19.</p> <p>Obtain copies of safety data sheets for any sanitising products in use.</p> <p>Ensure there are enough waste bins close to wash stations.</p>	<p>Hand sanitising stations are situated at each entrance to the school building.</p> <p>Signs displayed throughout the building</p> <p>Each classroom has hand washing facilities (Hoad class to use sinks in toilets)</p> <p>Staff will go through hand washing guidance at the beginning of the day 08/03/2021</p>	

	<p>sanitising hand gel (60% alcohol) as required for those without easy access to suitable handwashing facilities.</p> <ul style="list-style-type: none"> <input type="checkbox"/> Enough handwashing facilities are available sinks, soap, and towels. <input type="checkbox"/> Where toilet facilities are shared by more than one group, cleaning will be completed between different group usages. 			<p>Infants must use the infant toilets and sinks. Junior children must use the junior toilets and sinks. They must be cleaned after each bubble has used them. Staff should sign and date the sheet as a record of cleaning.</p>	
<p>Transport and travel</p> <p>Reducing the risk of infection on dedicated school transport and public transport and during organised educational visits</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Safe transport guidance promoted to staff and parents. <input type="checkbox"/> Protocols in place for drop off and pick up. <input type="checkbox"/> A Transport risk assessment is available for SEND children. <input type="checkbox"/> Transport providers will follow appropriate controls as highlighted in their code of practice. <input type="checkbox"/> Schools will record how each person, pupils and staff, travels to and from school (to support NHS Test and Trace). <input type="checkbox"/> Pupils who have travelled to school on public transport, wearing face coverings, will be instructed not to touch their face covering during use or when removing them. If they are going to remove and replace their face covering on arrival at the school, they will be asked to wash their hands and dispose of any temporary face coverings into a lidded bin where available (or into a bag and transferred to the bin). They will then need to wash their hands again. <input type="checkbox"/> Where relevant transport for SEND pupils will be subject to individual risk assessment. <input type="checkbox"/> Staff and pupils over the age of 11 will still be required to wear face coverings when using public transport – coronavirus-covid-19 safer travel guidance for passengers face-coverings 	<p>10 Medium Risk L5 x S2</p>	<p>Where possible staff should avoid/limit the use of public transport. If this is unavoidable Government guidance is that you need to use a face covering. Staff and pupils are advised to follow the Government Guidance COVID-19 safer travel guidance for passengers</p>	<p>ET to keep a record of how everyone travels to school</p>	

	<ul style="list-style-type: none"> <input type="checkbox"/> We will refer to the Kym Allan website for additional guidance regarding the resumption of daytrips and residential educational visits. <input type="checkbox"/> <input type="checkbox"/> 				
<p>Hazards in relation to pupil and staff wellbeing and mental health</p> <p>Preventing ill health due to anxiety and work-related stress</p>	<ul style="list-style-type: none"> <input type="checkbox"/> School Stress risk assessment in place. <input type="checkbox"/> Where staff report work-related issues, individual stress risk assessment will be carried out in line with HSE guidance. <input type="checkbox"/> Staff will be referred to occupational health as early as possible. <input type="checkbox"/> Good communication measures in place and maintained with staff. <input type="checkbox"/> All staff aware of their responsibilities to report safety concerns, ill health, damage, defects, accidents, or incidents in line with existing school policy. 	<p>10 Medium Risk L5 x S2</p>	<p>The Local Authority have produced the following guidance Coronavirus – getting back to school: Supporting emotional wellbeing and learning</p>		
<p>Hazards in relation to staff and pupils deemed high risk due to underlying or pre-existing health conditions</p> <p>Pregnancy, asthma etc.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Staff who have previously been identified as ‘Clinically Extremely Vulnerable’ are still advised to work from home if possible. <input type="checkbox"/> Pupils who have previously been identified as ‘Clinically Extremely Vulnerable’ are now permitted into school unless they have been advised by their GP or Clinician. <input type="checkbox"/> Those staff who are at a higher risk due to their underlying or pre-existing health conditions and have been prescribed medication, should where possible carry their prescribed medication with them at all times. <input type="checkbox"/> Follow the ¹Government Coronavirus (COVID-19) advice for pregnant employees <input type="checkbox"/> Individual risk assessments will be completed for all female staff who have given notification that they are pregnant 	<p>10 Medium Risk L5 x S2</p>	<p>Staff who may have increased risk from COVID-19 must raise their concerns with the Headteacher who will explain the measures the school is putting in place to reduce the risk, e.g. for Pregnancy, Asthma etc.</p> <p>If the person cannot undertake their normal duties or are unable to work from home contact your HR provider to discuss any reasonable adjustments.</p>	<p>Staff identified and discussions taken place with SD</p>	

¹ Guidance provided by the HSE, The Royal College of Obstetricians & Gynaecologists and the Royal College of Midwives

			Pupils who have been identified as CEV are advised to stay at home.	
<p>Hazards in relation to managing incidents and emergencies</p> <p>First aid/accidents/incidents/emergencies</p> <p>Staff or pupil becoming unwell with COVID-19 symptoms whilst on site</p>	<ul style="list-style-type: none"> □ Suitable follow-up procedures to be taken following potential infection exposure incidents (in line with current Public Health England and updated HSE RIDDOR guidance circulated to schools). □ Suitable first aid kits in place, updated to include (where already not supplied) IIR surgical masks, rubber gloves and hand sanitisers for close contact first aid treatment. □ At least one person with a paediatric first aid certificate will be on the premises at all times when children are present. □ School Emergency Plan/Crisis Management Plan in place. □ All staff aware of their responsibilities to report safety concerns, ill health, damage, defects, accidents, or incidents in line with existing school policy. □ Where a child develops symptoms whilst at school, they will be moved to a room where they can be isolated from others until they can be collected. The room must be well-ventilated by opening a window. Adult supervision will be provided at all times by a trained member of staff. □ Where there is no room to isolate, the child must be moved to an area where they can maintain a 2-metre distance. □ A separate toilet will be used if the child/adult needs to use the bathroom, which will be cleaned and disinfected in line with the current guidance: COVID-19 Cleaning in non-healthcare settings, before anyone else can use it. 	<p>10 Medium Risk L5 x S2</p>	<p>FAW or EFAW certificates that expired after 16 March 2020 can remain valid until 31 October 2020 or 6 months from date of expiry, whichever is later. All requalification training for these certificates should be completed by 31 March 2021.</p> <p>If first aiders are unable to access annual refresher training face-to-face during the pandemic, online refresher training should be undertaken to keep their skills up to date. Setting will make 'best endeavours' to have PFA on site for children</p>	<p>All staff first aid qualifications are valid.</p> <p>ET to ensure that all first aid kits are adequately stocked.</p> <p>5 staff have Paediatric first aid qualification</p> <p>School Crisis Management Plan updated Autumn term 2020</p> <p>The Quiet Room will be used if anyone develops symptoms.</p>
<p>Hazards in relation to eating and safe welfare facilities</p>	<ul style="list-style-type: none"> □ Timings in place to ensure safe management of break and lunchtimes. □ Adequate welfare facilities provided for all staff and pupils. □ Staff and pupils reminded to wash hands before and after eating. 	<p>10 Medium Risk L5 x S2</p>	<p>Staff to be encouraged to remain on site during lunch breaks. Where this is not possible staff are reminded to maintain social distancing whilst off site.</p>	<p>All classes to have separate break times and a staggered lunchtime. There will be no more than two classes in the playground, at lunchtime and they will</p>

				be segregated into different areas.	
<p>Hazards due to the lack of suitable PPE</p> <p>Where carrying out close personal care tasks and physical restraint and unable to maintain 2m social distancing measures</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Staff and pupils to be fit/well to attend setting. <input type="checkbox"/> Local risk assessments/individual healthcare plans/behaviour management plans reviewed and followed to identify PPE requirements in line with current guidance. <input type="checkbox"/> PPE to be fit for purpose/approved specification. <input type="checkbox"/> Where PPE/RPE is provided, staff are provided with training and instruction in its use. <input type="checkbox"/> PPE will be provided if a child or member of staff becomes ill with symptoms of COVID-19 and the staff who are caring for them are unable to maintain the 2m social distance. PPE measures will include a Type II Fluid Resistant Surgical Mask, apron, and gloves. <input type="checkbox"/> Local compliance to be monitored by Headteachers as far as reasonably practicable. <input type="checkbox"/> Guidance provided to staff in relation to the use and wearing of their own face coverings. <input type="checkbox"/> PPE that is normally needed for dealing with an individual child will be available as per individual healthcare plan. 	<p>10 Medium Risk L5 x S2</p>	<p>Contact the call centre to order PPE 0800 783 1967 (<i>Manned from 09:00 – 17:00 Monday to Friday</i>)</p>	<p>Each class has a supply of PPE if required. Central stocks are kept in the Disabled toilet and school office.</p>	
<p>Staff suffering from 'Post COVID Syndrome' Returning to work following COVID-19 infection</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Arrangements will be in place to ensure that any staff member returning to work following a COVID-19 infection and potentially suffering from 'Long COVID' is fully supported in their return to work. <input type="checkbox"/> https://www.yourcovidrecovery.nhs.uk/what-is-covid-19/ 	<p>9 Medium Risk L3 x S3</p>	<p>Individual risk assessments to be carried out</p>		
<p>Training</p>	<ul style="list-style-type: none"> <input type="checkbox"/> All staff will receive appropriate training and updates on the measures contained within this risk assessment. 	<p>10 Medium Risk L5 x S2</p>		<p>Staff to be given risk assessments and training week prior to 08/03/2021</p>	
<p>Monitoring</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Current relevant national guidance will be monitored and followed. <input type="checkbox"/> Risk assessment and its implementation will be monitored by the SLT on at least a weekly basis, and will take account of, weekly LA infection reports, and any critical incident reviews. 	<p>10 Medium Risk L5 x S2</p>			

	<input type="checkbox"/> Regular feedback will be provided to staff on the risk assessment reviews.				
Dissemination	<input type="checkbox"/> This document will be provided to all staff and be available on request/website.				

Assessment conclusion	Providing the stated control measures are implemented and adhered to, the risk of contracting most viral infections can reduce to a manageable level in normal circumstances. Compliance with this risk assessment should be monitored and reviewed to ensure control measures remain effective.
