

Church Walk CE Primary School

Sport's Premium funding and plans

In April 2013 the government announced new funding of £150 million for Physical Education and sport in schools. This funding should be used to improve the quality and breadth of P.E. and sport provision. Funding has been allocated to all schools with Primary aged pupils from September 2013. Schools are free to determine how best to use this funding to improve the quality and breadth of P.E. and sport provision, including increasing participation in P.E. and sport so that all pupils develop healthy lifestyles and reach the performance levels they may be capable of.

As Church Walk makes the transition from a long established Infant school to full Primary status this year, our P.E. subject leader has evaluated current provision and determined that our plans for the coming years encompass the following aims.

- To improve staff expertise in teaching all aspects of P.E. throughout KS1, and especially into KS2.
- To increase the level of participation in school P.E. lessons, after school clubs/ other sports outside school.
- To continue to develop assessment in PE.

We will do this through using specialist coaches, developing further inter-school competition opportunities, staff training and improved resources to enable after school clubs.

Impact from 2016-17

During 2016-17 academic year, we had £8,355 to spend. This consists of £8000 plus £5 for each pupil from Year 1 onwards. The following initiatives have been put in place, to improve the quality and provision of P.E. ensuring all children progress at a rate appropriate to their development.

Staff Development

- Onside coaching staff have worked with the subject leader, head-teacher and other staff to further develop progression in PE and staff skills and confidence across the school.
- The subject leader has attended local PE network meetings.
- **IMPACT- Staff report increased subject knowledge, skills and confidence. After lesson which were taught by Onside coaching staff, in collaboration with the class teacher, our tennis team reached the county finals.**

Raising the profile of sport and exercise

- A new group of Year 5/6 pupils have volunteered to act as a School Games Crew. Their jobs have included pumping up balls and training to run a Change 4 Life lunchtime club for Year 3 & 4 pupils. This club offers activities other than traditional sports to encourage all pupils to be active.
- We have held a successful sports day, encompassing the values of School Games: inclusion, celebration and culture.
- **IMPACT- More children took part in sporting activities, in particular those who were previously less active.**

Resources

- An audit of P.E. resources has taken place and new resources ordered, such as: tracksuits, leotards and sports equipment bags for playtime.
- We have used Ford Park for various sporting events and lessons across the year.
- **IMPACT- Children have had the necessary clothing to take part in sporting events and competitions. More active playtimes have been encourage through the use of new sports equipment. Sports day, Sports Relief and some curriculum lessons have taken advantage of the larger field at Ford Park, giving the children the opportunity to experience a wider range of sports.**

Developed Assessment System

- The Active Cumbria Participation and Achievement Tracker (ACPAT) has been purchased and the subject leader has attended the associated training which was subsequently cascaded to other staff.
- **IMPACT- Teachers have a greater knowledge of starting points ensuring all children are able to make progress at their own rates. Teachers are able to plan and differentiate accordingly.**

Wider Sporting Community

- The subject leader has liaised with other local staff to organise Ulverston schools' football/netball friendlies and entered more competitions.
- **IMPACT- We have entered teams into the following competitions: Key Steps 1,2 & 3 gymnastics (Y1-6)-the Key Steps 2 team reaching the Furness final; mini-red tennis (Y4)-reaching the Cumbria final; orienteering (Y5/6); St Mary's Parish Gala- football team (Y3-6) and netball team (Y5/6); sportshall athletics and local netball and football friendlies.**

Plans for 2017-18

During 2017-18 academic year, we have £16,850 to spend. This consists of £16,000 plus £10 for each pupil from Year 1 onwards. We will be concentrating on:

- Working with UVHS staff to further develop progression in PE and staff skills and confidence across the school.
- Continuing to enter teams into inter-schools competitions.
- Continuing to develop assessment in PE.
- Developing our outdoor areas to make them more suitable for delivering our PE curriculum and extra-curricular activities.
- Developing the role of our School Games Crew.

Swimming

All of the junior children have taken part in swimming lessons this year; In Year 6, 11 out of 17 children can confidently swim 25 metres using different strokes.

Year 2 children have also taken part in swimming lessons. This has encouraged more participation and developed water confidence.
