### Coronavirus Update

Dear Parents,

I want to keep you updated about the development of the Corona Virus situation and its effect in school. I receive daily updates with advice from the Government and I will amend our practice here at school to comply with the advice in an attempt to keep everyone safe.

#### **Current Advice for Symptoms**

- Staff or children who live in the same household as someone with a **confirmed case** should self-isolate for 14 days
- Staff or children with minor symptoms (a new persistent cough or high temperature) should **stay at home for a minimum of 7 days** and contact NHS 111 via telephone or the NHS website if symptoms worsen
- Staff or children showing any signs of infection at school should be isolated from other staff and pupils and sent home as soon as possible and the school will contact Public Health England by telephone. The individual should contact NHS 111 for further guidance.

#### **New Routines in school**

- Staff and pupil hand washing will take place:  
On arrival at school  
After each toilet visit  
After each break time  
Before lunch
- All children should bring their own water bottles to school as we are discouraging use of the water fountains at the present time.

**From today, all after school clubs are cancelled until further notice. The Church Assembly on Thursday 26<sup>th</sup> March has also been cancelled.**

If the school has to close, the teachers will set work for all pupils. Please ensure that we have a current email address as work will be sent via email. If this is not possible, work will be sent through the post. More details will be sent out if the situation arises.

All visitors to school will be asked to wash their hands when they enter the building and all non - urgent meetings and after school events will be cancelled.

**Kepplewray Trip**

I have made the decision to postpone the Kepplewray Trip for Year 4 and 5. All money will be refunded. Hopefully it will be able to go ahead at a later date, when the situation improves.

I appreciate that it is disappointing for planned events to be cancelled and I would like to thank you for your understanding at this uncertain time.

Yours sincerely,

Mrs S Davies
