

## School Council Newsletter

June 2019

*The school council have written a letter to Mrs Davies and all staff to ask if we could use more Fairtrade products in school. The teachers are working on this*

### Latest News

We have created a Peter Rabbit themed garden and entered it in the Cumbria in Bloom Competition. Each class chose some plants that would grow before we break up for summer. Can you tell what we are growing?

### Rights Respecting Schools

We have recently updated our notice board. This is also linked to Fairtrade and children's rights. We chose Article 24 You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well. We got pictures of rich countries and poor countries and looked at how people live and which children have access to these rights. We looked at different Fairtrade products and we were surprised that how many there were. If you are interested in Fairtrade come and look at our display!
