

CHURCH WALK CE PRIMARY SCHOOL

February 2025

Dear Parents and Carers,

This half term is proving to be a busy one with a lot of illness and bad weather.

Please find attached some information about eligibility for Free School Meals.

Children's Mental Health Week

The theme for this is Know Yourself, Grow Yourself. Place2Be have a website with resources which families may find useful. The link is <https://www.childrensmentalhealthweek.org.uk/>

Christian Value

Our Christian Value for this half term is Hope and we are thinking about what it means to people in different situations. We have been looking for signs of hope in nature and have spotted the first bulbs coming through as well as the mornings and evenings slowly getting lighter.

World Book Day

This year World Book Day will be on Thursday 6th March. Children can dress up as their favourite book character or wear non uniform and bring their favourite book to school.

Science Week

Science week starts between 7th and 14th March and the theme is Change and Adapt. The children really enjoyed this last year so we have decided to hold a similar event.

On Monday 10th March, it will be non uniform and children can come to school dressed as something linked to Science. This could be a traditional lab coat (old white shirt) and goggles look. Or they might want to research some famous scientists and bring in a 'prop' that gives a clue as to who they are – perhaps an apple or a picture of a lightbulb, for example. A palaeontologist might wear something dinosaur related! Remember astronauts and doctors are also scientists! They can also come dressed up as something scientific – a black hole, the solar system, a rainbow, an x-ray. There's lots of scope for imagination and creativity.

'Teach children how they should live
and they will remember it all their lives'
Proverbs 22:6

Swimming

Springfield will go swimming on Tuesdays from 4th March until 1st April.

Sports leaders

Some of Year 5 and 6 have volunteered to be Sports Leaders and help to organise and run various activities with the younger children at some playtimes. They have been working with Hannah from HP Activities to explore various equipment and games that they could use and train for the roles.

Reading Buddies

The junior children have been visiting Hoad and Birkrigg classes and reading with the children for a short session every week. The juniors seem to enjoy this as much as the infants.

Students

Some students from UVHS will be doing their work experience placement with us for a week in March.

Year 5 Taster Day

Year 5 children have been invited to UVHS for a Taster Day in March. Letters will be sent out from UVHS, nearer the time.

Dates for this term

Week beginning 3rd February

Wednesday 5th February

Class

Week beginning 10th February

Tuesday 11th February

Friday 14th February

Monday 17th February to Friday 21st February

Monday 24th February

Thursday 6th March

Thursday 6th March

Friday 7th March
